2 HOUR LECTURE

INKLE LOOM WEAVING

No weaving experience necessary! The inkle loom is portable, easy to warp, easy to weave off, and makes beautiful belts and bands. Daryl uses it to trim her garments. Every weaver should own one. Through a PowerPoint presentation, participants will learn to make heddles for the loom, follow a draft and warp the inkle loom. Proper techniques for weaving a tight even band with good selvages will be explained. As time allows, a discussion of Baltic Pick-up will be demonstrated. THIS LECTURE IS VIA POWERPOINT AND IS WELL SUITED TO REMOTE MEETING TECHNOLOGY.

ALL LEVELS ARE WELCOME

MAXIMUM ENROLLMENT: Unlimited

SUPPLY LISTS: I will need a screen and extension cord with a power strip. **I will provide an LCD projector and laptop for digital slides.** *This lecture is suitable for remote meeting technology.*

In addition, I would like a table for displaying my own work.

A PDF digital downloadable version of the lecture will be available for participants before or after the presentation. It is usually sent to the guild ahead of time for distribution.

Bio: Daryl Lancaster, a hand-weaver and fiber artist known for her award-winning hand-woven fabric and garments, has been constructing garments for more than half a century. She gives lectures and workshops to guilds, conferences, and craft centers all over the United States. The former Features Editor for Handwoven Magazine, she has written more than 100 articles and digital content, frequently contributes to various weaving and sewing publications and including Threads Magazine. She now has a YouTube channel,

[The Weaver Sews](#) where she shares her extensive experience sewing handwoven garments. Daryl maintains a blog at **www.weaversew.com/wordblog** Find her at **www.Daryllancaster.com**
