## **Weekly 3 Hour Session**

# **JUMPSTART SEWING!**

**Do you have a sewing machine in your closet? Do you spend a fortune on alterations? Do you have clothing that is outdated, but too good to give away? Are you looking for an inexpensive hobby that will reduce stress and benefit your wardrobe? Dust off that sewing machine and come learn or re-learn what to do with it! The class is tailored to individual needs and all levels. Ongoing, this class will help with everything from simple alterations, garment make-overs, sewing garments from scratch, all the way to tailoring for the more experienced sewist. This is also a terrific class for those who have trouble finding clothing that fits.**

**Machines are provided for those who don't have a machine available.**

ALL LEVELS ARE WELCOME

Bio: Daryl Lancaster, a hand-weaver and fiber artist known for her hand-woven garments, has been sewing for more than 40 years. She gives lectures and workshops to guilds, conferences, and craft centers all over the United States. The former Features Editor for Handwoven Magazine, she frequently contributes to various publications.

MAXIMUM ENROLLMENT: whatever can fit into the room, 8? Age restrictions, 16 years old and up.

It is expected that as students progress, they will be bringing their own supplies, and project materials. It is helpful to have your own basic sewing tools, a good pair of sewing shears, and small embroidery scissors or quick clips. If you are planning a specific project please bring the pattern and an old sheet or muslin and the fabric you plan to use. Halsey Fabrics is a few blocks from the Newark Museum. They do not carry patterns. If you are bringing clothing that requires alterations, please bring that along for the first class. If you would like to learn to sew, or want to jumpstart your rusty skills, let me know and I'll bring a pattern for a basic jacket. If you would like to make up my jacket pattern, please email me at [theweaver@weaversew.com](mailto:theweaver@weaversew.com) so I know to bring the right materials to the first day of class.
