3 Day Workshop

GARMENT CONSTRUCTION AND FINISHING TECHNIQUES FOR HANDWEAVERS AND OTHER FIBER ARTISTS

A crash course in garment construction, fit, finishing, and all around fun! For weavers or anyone interested in learning to construct great looking and great fitting garments. Learn to be creative with your seam finishes, buttonholes, closures, linings, and embellishment. Sampling, sett, fabric finishing, this is a terrific class for those wanting to learn to sew clothing from their hand-woven or other special fabric, as well as for those more experienced wanting polished and professional results. Participants will have the opportunity to draft one or two custom patterns for a jacket with band or shawl collar, swing coat, walking vest, tunic, collared vest or vest with armhole bands. Lots of opportunities to make samples of various techniques.

ALL LEVELS ARE WELCOME
