b. Students should bring:

- 2 Colors of High Contrast 10/2 Pearl Cotton or equivalent, at least 50 yards of each. The more contrast the colors have, the better, especially for pick-up.

- For the supplemental warp, please bring a larger grist yarn, this can be something interesting, a fatter knitting yarn, it can be variegated, or decorative. This yarn should be larger in diameter than a 3/2 cotton. Bring a

couple of choices. You will need approximately 5 yards of this yarn. We will add it later.

- Scissors
- Notebook and Pen
- Though rental looms are available, it is preferable to use your own loom, one you are familiar with. Please no inkle looms with warp and cloth beams like the Gilmore and the Glimakra. They require specific equipment for warping which will not be available. If you still wish to use this type of inkle loom, please bring your own warping equipment.
- A small belt shuttle. (Rental looms include the shuttle)
- A small 10" long bungee cord for holding the supplemental warp out of the way.
- 60 Heddles and extra heddle thread. (Note: since the warp threads will be fine -10/2 cotton, you may want to consider making finer heddles, 3 cord crochet cotton can work here.)
- A sheet of graph paper and a couple of colored pencils.
